

VillageChurch  
VGroups Covenant  
2012-'13  
Acts 2:42-47

VGroups serve many purposes in the VillageChurch community. This is where people will experience deeper intentional relationships with other Believers, enjoy fellowship and community service together, and grow stronger in their walk with Christ. This Covenant will outline the core standards and expectations of the overall VGroup Ministry and create unity among the VGroup members.

- Make the group a priority & commit to regular attendance for all meetings & activities.
- Share responsibility for the group & its goals.
- Prepare for & participate in the study & discussion during VGroup meetings.
- Respect each other; each member has the right to ask questions & be encouraged.
- Regularly encourage one another in our pursuit of Christ-likeness.
- Provide a safe, confidential environment. What is said in the group stays in the group.
- Share personal areas of our lives with members in the group for support & accountability (transparency).
- Recognize that VGroup meetings are not intended to be personal counseling sessions. Should there be an issue that requires more attention or dedicated discussion, a separate meeting would be appropriate.
- Provide care to every member of the group.
- Pray for each other regularly.
- Utilize childcare & respect the desire to create a focused atmosphere. If your child is not able to stay home alone they need to be in with the sitter. No Exceptions.

We the collective members of this VGroup, facilitated by \_\_\_\_\_, agree to meet on \_\_\_\_\_ at \_\_\_\_\_. We agree to make our best efforts to uphold this covenant for the duration of this semester and understand that this group will lovingly hold us accountable to this covenant.
